BIO

Joel is a Realtors Land Institute instructor of Land 101 and Recreational Land courses that are offered by the Institute. Through his achievement and education, he obtained the Accredited Land Consultant (ALC) designation. He also serves as the chairman of the education committee and sits on the board of the Institute as well. For the years of 2016-2018, Joel served as the president of the Arkansas Chapter of Realtors Association.

The auction method of selling real estate has always intrigued him and he decided to pursue it as another method of selling land and other assets. He attended and has achieved the prestigious Certified Auctioneers Institution (CAI) designation of which only 1100 have obtained. Joel was inducted in the Arkansas Auctioneers Hall of Fame in 2015 and is a member of both the State and National Auction Associations.

To add to his services, he became a State Registered Appraiser in 2013 and is a member of the American Society of Farm Managers and Rural Appraisers.
